

# Better Print Production – Level 2

**Location: 95 St Clair Avenue West, Suite 1103, Toronto**  
**Session: 8:30am to 4:30pm**

***An advanced one-day seminar on print processes  
and troubleshooting***

**Instructor:**

Marg Macleod  
President, IBEC Training & Consulting

**About the course:**

Continue the learning from Better Print Production – Level 1 with this advanced learning seminar. This seminar picks up from Level 1 and continues to examine printing processes, including material preparation, colour assessment, press-run troubleshooting, substrate, bindery and finishing.

*\*Better Print Production – Level 1 is a pre-requisite for the Better Print Production – Level 2 session.*

**About the presenter: Marg Macleod**

Prior to establishing IBEC Training & Consulting, an organization specializing in training and consulting in the graphic arts, advertising, and marketing fields, Marg spent 18 years in the print production area in advertising agencies, and two years as Director of Marketing for Jannock Imaging.
